

This is a detailed architectural floor plan of a building, likely a school or office. The plan is oriented with the entrance (ENTRÉE) at the top left. The layout includes several rooms and common areas:

- ENTRÉE:** The main entrance area at the top left, featuring a large circular space with a central column and a curved wall.
- WC (Toilettes):** Multiple restrooms are located throughout the plan, including two near the entrance, two in the central corridor, and four in the bottom right corner.
- HWC (Hydro-Massage):** A large hydro-massage room is situated in the central corridor area.
- MATSAL (Salle de Matériel):** A large room with a purple floor, containing several round tables and chairs, located in the center of the plan.
- PENTRY:** A room with a purple floor, containing a long table and chairs, located adjacent to the Matsal.
- Classrooms/Meeting Rooms:** Numerous rooms with yellow floors, each containing tables and chairs, are arranged along the top and right sides of the building.
- Common Areas:** Several green-colored rooms and corridors are scattered throughout the plan, some containing round tables and chairs.
- Staircases:** Two staircases are located in the bottom left corner, one with an upward arrow and one with a downward arrow.
- Other Features:** The plan includes various furniture items like tables, chairs, and sofas, as well as architectural details like walls, doors, and windows.

- Med reservation för avvikelser.
